

The Australian Nutrition Foundation (Qld Div) Inc t/a NAQ Nutrition is a non-profit, community-based organization which provides nutrition and health education in the Queensland community through advisory services in child care, aged care, and nutrition in schools. We also undertake a wide range of corporate wellbeing seminars throughout the year. NAQ Nutrition runs a supplement service to generate income to support its work in the community.

## TUBE FEEDING & NUTRITION SUPPLEMENT SERVICE

NAQ Nutrition (formerly Nutrition Australia QLD) offers an extensive range of nutrition services and advice to all Australians. We are a non-profit, community-based organisation. Benefits of our service include:

- competitive prices
- small or large orders welcome
- mixed flavours available on most cartons
- delivery 5 – 7 working days often much quicker
- access to independent nutrition advice from accredited practising dietitians / nutritionists
